

Indian Institute of Science (IISc) 2018

OVERVIEW

The Programme

The Indian Institute of Science, Bangalore has opened admissions to its 4-year Bachelor of Science (Research) programme. The programme is organised into 8 semesters, with the final 2 semesters being devoted exclusively to a research project. Students may choose to specialise in any of the following six disciplines: Biology, Chemistry, Earth and Environmental Science, Materials, Mathematics or Physics. It is an interdisciplinary programme and each student is required to take a minimum number of courses in engineering and the humanities to ensure a well-balanced learning experience.

REQUIREMENTS

Eligibility

In order to eligible for admissions –

1. Candidates must have passed their 10+2 qualifying examination/2nd PUC with Mathematics, Physics and Chemistry as compulsory subjects.
2. Candidates must have secured a minimum aggregate of 60% in their qualifying examination. This minimum is relaxed to a pass in the case of SC/ST candidates.
3. Students need to have taken one of the following national level entrance exams: KVPY, IIT-JEE (Main), IIT-JEE (Advanced) or NEET.

SPECIAL ADMISSIONS

Scholarships

1. Based on their performance in national level examinations like KVPY, IIT-JEE and AIPMT, students can avail standard fellowships offered by agencies such as KVPY and DST-INSPIRE.
2. The tuition fee is waived entirely for SC/ST candidates.
