

National Aptitude Test in Architecture (NATA) 2018

OVERVIEW

The Programme

The National Aptitude Test in Architecture (NATA) 2018 is a national level aptitude test which is conducted for admission into architecture programmes across the country. Through this examination, candidates will get admission into various Bachelor of Architecture (B. Arch), which span 5 years. A NATA scorecard is considered during the time of admission by most private and government aided colleges and institutions.

REQUIREMENTS

Eligibility

In order to be eligible for NATA, candidates:

1. Must have passed/appeared in their 10+2 qualifying examination with Mathematics as one of their subjects.
2. Must have passed/appeared in their 10+3 diploma (any stream) recognized by a Central/State government with Mathematics as one of their subjects.
3. Must have passed/appeared for an International Baccalaureate diploma, after 10 years of schooling with Mathematics as one of their subjects.
4. Candidates must have scored 50% marks in the above qualifying examinations. Appearing candidates can also apply, but will have to produce their marks at the time of admission.

ADDITIONAL DETAILS
